[Form 2] Study Plan & Resume	17
[Form 3] Agreement on Personal Information Collection, Use, and Provision ..	18

1 Admission Schedule (2022 Fall Semester)

Application	Schedule (Korean Standard Date and Times)	Location (Contents)	Remarks
Online Application	2022. 08. 03.(Wed) 9:00 ~ 2022. 08. 08.(Mon) 17:00	Online application (www.uwayapply.com)	Fill out and print out the online application form and submit it with the required documents.
Submission of Required Documents (By post or in person)	Deadline: 2022. 08. 08.(Mon) 17:00	Send to: International Exchange Team Dong-Eui University, 176 Eomgwangro, Busanjin-gu, Busan, Korea, 47340 or Visit: International Exchange Team (located on the 4th floor of the main building of Dong-Eui University)	
1st Screening	2022. 08. 09.(Tue) ~ 08. 11.(Thur)	Evaluation by the International Exchange and International Students Committee (Documents screening)	
2nd Screening	2022. 08. 12.(Fri) ~ 08. 19.(Fri)	Confirmation by the departments and local interviews	Conducting documents and interview evaluation by the departments
3rd Screening	2022. 08. 22.(Mon) ~ 08. 23.(Tue)	Evaluation by the International Exchange and International Students Committee (Final screening)	
Notification of Admission Result	2022. 08. 24.(Wed) - <i>can be changed</i>	Admission result will be notified on the International Exchange Team website or individually.	Candidates who are expected to graduate are only conditionally passed, and the final acceptance will be determined based on the result of graduation.
Printout of Tuition Bills	2022. 08. 25.(Thur) ~ 08. 26.(Fri)	Successful applicants can receive their tuition bills by e-mail, post or visiting our office in person.	
Payment of Tuition Fees	2022. 08. 29.(Mon) ~ 08. 31.(Wed)	Payment period and payment method will be announced through the notice for successful applicants.	Designated Account Payment Name of Bank: KB Kookmin bank Account Holder's Name: Dong-Eui University Bank Account Number: 109801-04-286665

※ The above schedule is subject to change depending on the visa issuance status or the circumstances of the school.

2 Fields of Study and Quota

1) Undergraduate Programs

Field	College	Major	Quota		
Humanities and Social Sciences	College of Humanities and Social Sciences	Department of Korean Language and Literature	※ There is no particular quota per major for international student admissions.		
		Department of Chinese			
		Department of Japanese			
		Department of English Language and Literature			
		Department of Library & Information Science			
		Department of Lifelong Education and Youth Counseling			
		Department of Early Childhood Education			
		Division of Media & Advertising		Advertising & PR Major	
				Communication & Media Major	
		Division of Law and Police Administration		Law Major	
				Police Administration Major	
		Department of Fire Administration and Disaster Management			
		Division of Public Service		Public Administration and Policy Major	
				Social Welfare Major	
	College of Business & Economics	Division of Economics, Finance, Insurance and Real Estate		Economics Major	
				Banking & Insurance Major	
				Finance & Real Estate Major	
		Division of International Trade & Distribution		International Trade Major (Opening an exclusive class for international students)	
				Distribution & Logistics Major	
		Division of Business Administration		Business Administration Major (Opening an exclusive class for international students)	
				Accounting Major	
		Division of Information Management		Management Information System Major	
				E-Business Major	
		Division of Hotel and Tourism Management		International Tourism Management Major	
				Hotel and Convention Management Major	
		Department of Restaurant and Food Service Management			
		Science and Physical Education		College of Nursing, Healthcare Sciences and Human Ecology	Department of Clinical Laboratory Science
					Department of Dental Hygiene
Department of Radiological Science					
Department of Healthcare Management					
Department of Physical Therapy					
Department of Childcare and Family Counseling					
Department of Food & Nutrition					

Engineering and Art	IT Convergence College of Components and Materials Engineering	Division of Materials Engineering	Metallurgical & Materials Engineering Major	※ There is no particular quota per major for international student admissions.
			Polymeric Materials Engineering Major	
			Electrical & Electronic Materials Engineering Major	
		Division of Design Engineering	Product Design Engineering Major	
			Human-System Design Engineering Major	
		Division of Mechanical, AutomAdvanced otive, and Robot Components Engineering	Mechanical Engineering Major	
			Robot and Automation Engineering Major	
			Automotive Engineering Major	
		Division of Industrial Convergence Systems Engineering	Industrial ICT Engineering Major	
			Industrial Management & Big Data Engineering Major	
	College of Engineering	Division of Urban, Architecture and Civil Engineering	Architecture Major(5-years)	
			Architectural Engineering Major	
			Civil Engineering Major	
			Urban Engineering Major	
		Division of Applied Bioengineering	Biomedical Engineering and Biotechnology Major	
			Biopharmaceutical Engineering Major	
			Food Science and Technology Major	
		Division of Chemical & Environmental Engineering	Chemical Engineering Major	
			Environmental Engineering Major	
			Applied Chemistry Major	
	Department of Naval Architecture & Ocean Engineering			
	College of ICT Engineering	Department of Computer Engineering		
		Division of Creative Software Engineering	Computer Software Engineering Major	
			Applied Software Engineering Major	
		Division of Electrical, Electronic and Communication Engineering	Electrical Engineering Major	
			Electronic Engineering Major	
			Information & Communications Engineering Major	
Division of Digital Contents & Game Animation		Digital Contents Major		
		Game Engineering Major		
Department of Film Studies				
Department of Artificial Intelligence				
Arts and Physical Education/Science and Physical Education	Department of Art & Design	Visual Communication Design Major		
		Industrial Design Major		
		Craft Design Major		
		Western Painting · Korean Painting · Environmental Plastic Arts Major		
	Department of Fashion Design			
	Department of Physical Education			
	Division of Leisure Sports & Taekwondo	Leisure Sports Major		
		Taekwondo Major		

※ Exclusive classes for international students will be opened when the number of students meets the standard student number for opening exclusive classes.(International Trade Major, Business Administration Major)

2) Graduate Programs

a. General Courses

Field	Department	Course	Major
		Master	
Humanities and Social Sciences	Department of Korean Language & Literature	○	Classical Literature, Modern Literature, Literary Art Writing
	Department of Japanese Language & Literature	○	Japanese Language, Japanese Literature, Japanese Studies
	Department of Library and Information Science & History	○	Library and Information Science, Records Management // Korean History and Archeology, History Information·Museology
	Department of Lifelong Education and Youth Counseling	○	Lifelong Education Evaluation, Community Education, Human Resource Development, Lifelong Education Program, Adolescent Counseling
	Department of Communication & Advertising	○	Communication and Media // Advertising and PR
	Department of Law	○	Public Law, Private Law
	Police administration department	○	police science, criminological
	Department of Fire Administration and Disaster Management	○	Firefighting, Disaster Management
	Department of Social Welfare	○	Welfare Policy, Social Welfare Administration, Community Social Welfare, Family Welfare, Welfare for the Aged, Welfare for the Disabled, Mental health, Child and Youth Welfare, Industrial Welfare
	Department of Economics and International Trade	○	Theoretical Economics, Applied Economics, Climatic Economics // International Economics, International Commercial transactions, International Management
	Department of Banking and Insurance·Finance and Real Estate	○	Banking and Insurance // Finance and Real Estate
	Department of Business Administration	○	Personnel Organization, Marketing, MS·MIS, Financial Management // Accounting
	Department of Management Information Systems & e-Business	○	Management Information // e-Business
	Department of Distribution & Logistics	○	Distribution, Marketing Strategy, Logistics
Department of Tourism, Hotel & Food Service Management	○	Hotel and Convention Management // Tourism Management // Restaurant and Food Service Management	
Science	Department of Mathematics and Information Statistics	○	Analysis, Algebra, Topology, Numerical Analysis // Mathematical Statistics, Applied Statistics, Environmental Statistics
	Department of Biopharmaceutics	○	Bio-pharmaceutics
	Department of Smart Bio-Health	○	Health Advanced Materials, Bio-Advanced Materials, Molecular Biology, Biochemistry, Physiological Activity of Natural Products, Smart Bio-IT
	Department of Clinical Laboratory Science	○	Clinical Pathology
	Department of Food & Nutrition	○	Food Chemistry and Sanitation, Nutrition
Engineering	Department of Architectural Engineering	○	Architecture Design Studio // Architecture Construction, Construction Technology // Building Environment and Equipment
	Department of Civil Engineering	○	Structural Engineering, Hydraulics and Harbour, Geotechnical Engineering, Surveying and Geographic Spatial Information
	Department of Urban Engineering	○	Urban Planning and Design, Transportation Engineering and Design, Urban Information System, Urban Policy, Smart City, Real Estate Development
	Department of Mechanical Engineering	○	Heat-Fluid, Material and Fracture Mechanics, Manufacturing and Design, Vibration·Control and Noise
	Department of Electrical Engineering	○	Control and System, Electric Machinery and Power Electronics, Electric Materials and High Voltage
	Department of Intelligent System Engineering	○	Intelligence Automation, Intelligent Control Instrumentation, Intelligent Robots

Field	Department	Course	Major
		Master	
Engineering	Department of Electronic Engineering	○	Communication System, Computer System, Control Engineering and Robotics, Digital Signal Processing, Semiconductor
	Department of Computer Engineering	○	Computer System, Computer Application
	Department of Computer Software Engineering	○	Software Engineering, Internet Information Security, Embedded Software, Multimedia Application, Application Software
	Department of IT Convergence	○	Big Data Convergence, IT Convergence, Artificial Intelligence
	Department of Chemical, Environmental & Industrial Engineering	○	Chemical Engineering/Engineering Chemistry // Wastewater Treatment Engineering, Waste Treatment, Air Pollution Control Engineering, Water Treatment Engineering // Quality and Manufacturing System, Management Science, Ergonomics
	Department of Advanced Materials Engineering	○	Advanced Materials, Electrical and Electronic Materials, Metallic Materials, Polymer Materials
	Department of Digital Media Engineering	○	Digital Video and Sound Processing, Digital Contents, Computer Graphics, Game and Virtual Reality, Digital Broadcasting, Internet Application, Digital Animation
	Department of Naval Architecture and Ocean Engineering	○	Ship Building and Offshore, Ocean Engineering
	Department of Applied Chemistry-Food Science and Technology	○	Organic-Bio Chemistry, Inorganic-Analytical Chemistry, Physical Chemistry-Spectroscopy // Food Engineering
Art and Physical Education	Department of Art and Design	○	Visual Communication Design, Industrial Design, Craft Design,
		○	Korean Painting, Western Painting, Sculpture, Art Exhibit Plan Management
	Department of Physical Education	○	Physical Education
	Department of Cinema & AudioVisual Contents	○	Film Theory, Film Production, Documentary, Digital Video Contents

b. Interdisciplinary Courses

Field	Department	Course	Major
		Master	
Humanities and Social Sciences	Department of East Asian Studies	○	Korea-Japan Culture Commerce, Korea-China Culture Commerce, Multicultural Studies
	Department of Buddhist Culture	○	Buddhist Culture Arts, Applied Buddhism, Philosophy of Buddhism-History of Buddhism
	Department of Storytelling	○	Storytelling and Marketing, Visual Storytelling, Storytelling Contents
	Department of Global Business Administration	○	Global Management, Health Care Management
	Department of Early Childhood Education	○	Early Child Education, Child Care
	Department of Convergence Media Education Technology	○	Educational Technology, Media Design
	Department of International Cooperation and Diplomacy	○	International Development Cooperation, Public Diplomacy, International Security Terror
Science	Department of Biomedical Health Science	○	Clinical Pathology, Dental Hygiene, Radiology, Health Care Management
	Department of Physical Therapy	○	Physical Therapy
	Department of Dental Hygiene	○	Dental Hygiene
Engineering	Department of Geoinformatics	○	Smart City, Surveying and GPS, GIS-T, Urban Planning
	Department of Smart City	○	Space Design, Mobility, Safety, Energy
	Artificial Intelligence	○	Artificial Intelligence, Artificial Intelligence system
Art and Physical Education	Department of Arts Therapy	○	Integrative Arts Therapy

3) Special Graduate Program

a. Graduate School of Education

Field	Course	Major
	Master	
Humanities and Social Sciences	<input type="radio"/>	Educational Methodology Major & Consulting Major
	<input type="radio"/>	Lifelong Education Major
	<input type="radio"/>	Educational Technology & Software Education Major
	<input type="radio"/>	Special Needs Child Care Major
	<input type="radio"/>	Early Childhood Education Major
	<input type="radio"/>	Youth Education Counseling Major
	<input type="radio"/>	Teaching Korean as a Second Language Major
Art and Physical Education	<input type="radio"/>	Physical Education Major
	<input type="radio"/>	Taekwondo Education Major

3 Eligibility and Required Documents

1) Common Eligibility

	Eligibility
Citizenship	Both the applicant and the applicant's parent(s) must be non-Korean citizens. ※ Citizenship status is determined at the time of application deadline, and applicants with dual nationalities cannot apply for this screening procedure.
Language Proficiency Requirements	① Test of Proficiency in Korean(TOPIK) level 4 or above (In case of arts and physical education, TOPIK level 3 or above) (However, this applies only to applicants from the 21 countries notified by the Ministry of Justice and the 5 countries under the priority management.) ② Test of Proficiency in Korean(TOPIK) level 3 or above (In case of arts and physical education, TOPIK level 2 or above) (However, this applies only to applicants from other than the 21 countries notified by the Ministry of Justice and the 5 countries under the priority management.) ◎ Among the 83th TOPIK test takers, if they apply conditionally to pass this screening, they will automatically be rejected if they do not meet the TOPIK qualifications after the date of announcement of results on August 18, 2022 (Thursday).

※ Arts and Physical Education

- ① **Undergraduate:** Division of Design Engineering-Product Design Engineering Major, Department of Film Studies, Department of Art & Design, Department of Physical Education, Division of Leisure Sports & Taekwondo
- ② **Graduate:** Department of Art and Design, Department of Cinema & AudioVisual Contents, Department of Arts Therapy, Department of Physical Education
- ③ **Graduate School of Education:** Physical Education Major, Taekwondo Education Major

2) Undergraduate Programs(Freshman and Transfer)

- ① **Freshman:** High school graduates(or prospective graduates)
- ② **Transfer(Junior):** Applicants who have completed (or prospectively completed) 2 years or more at a 4-year university in Korea or overseas, or applicants graduating (or prospectively graduating) from domestic or foreign colleges

3) Master's Programs(Freshman)

- ① Applicants who have obtained, or are expected to acquire, a bachelor's degree from a domestic or overseas university
- ② Applicants who have been recognized as having academic background equivalent to or higher than that of Paragraph ①

👉 Important Notes Regarding Eligibility

- In principle, elementary, middle and high school study periods are based on the Korean academic system. [Overseas curriculum grades 1 to 6 are regarded as elementary school, 7 to 9 grades as middle school, and 10 to 12 grades as high school.]
- Applicants from countries with less than 12 years of elementary, middle and high school education must complete all foreign curriculums recognized by the Minister of Education as equivalent to the school curriculum equivalent to high school. In principle, only these applicants are recognized as having the same qualifications as high school graduates. However, high school graduation qualification is determined by comprehensively considering the school system and semester of each country based on the regular high school system in Korea.

4) Required Documents

No.	Required Documents	Freshman	Transfer	Master's or Doctoral
1	Application Form(Online Application) and 2 Passport Photos	●	●	●
2	Study Plan & Resume	●	●	●
3	Health Certificate - Physical result table of one's own country can be replaceable	●	●	●
4	Language Proficiency Certificate	●	●	●
5	Certificate of Nationality of Applicant - Copy of passport or alien registration card	●	●	●
6	Copy of Family Relation Certificate - Copy of all family member's passport or ID card - Chinese applicants must submit 户口本证明	●	●	●
7	<ul style="list-style-type: none"> ◆ Certificate of the Final Academic Background <ul style="list-style-type: none"> - If you are expected to graduate, the original copy of the certificate of expected graduation will be needed - Submit Apostille or Consular Certificate of Education - Those who have acquired an academic background or degree in China submit a certification report issued by the Academic Background and Degree Certification Center operated by the Ministry of Education of China. ◆ Certificate and Transcript of Korean Language Course (Mandatory for Korean Language Course Students) ◆ For Transfer Students : <ul style="list-style-type: none"> - Certificate of High School Graduation - Enrollment Certificate and Transcript of More Than 4 Semesters in Previous University(Transfer can be applicable only for junior students.) 	●	●	●
8	Transcript Certificate of the Final Academic Background	●	●	●
9	Professor's Recommendation from Applicant's University	-	-	●
10	Copy of Korean Bank Account Book(only for applicants in Korea)	●	●	●
11	Certificate of Bank Balance(more than \$18,000)	●	●	●
12	Financial Guarantor's(Parent's) Original Certificate of Employment or Importation or Original Copy of Business License	●	●	●
13	Application Fee: KRW 60,000(paid when online application)	●	●	●
14	Personal Information Collection, Use, and Provision Agreement	●	●	●
<p>※ Required documents must be written in English or Korean, and must be notarized in Korean and English when written in other languages.</p> <p>※ In principle, you must submit the original documents. If the original cannot be submitted, it must be notarized.</p>				

 Important Notes Regarding Submitting the Documents

- Documents issued overseas must be **submitted in the original**, and documents not written in Korean or English must be **accompanied by a notarized document translated into Korean or English**.
- For those with an academic background in China, must submit a degree certification report (<http://www.cdgdc.edu.cn>) issued by the Ministry of Education's Degree Certification Center or documents issued by Chinese Higher Education Student Information(www.chsi.com.cn).
- Financial Certificate : Certificate of the balance of deposits deposited in a bank with **US \$18,000 or more** in the name of the financial guarantor(Deposit at least 1 moth from the date of application) or domestic remittance or currency exchange certificate.
- Among the successful candidates, prospective graduate must submit their graduation certificate to the International Exchange Team **by August. 19, 2022**.
 - ※ In addition to the documents that mentioned above, additional documents can be required for qualification screening.

4 Important Notes on Application

- a. The deadline for application submission is **until 2022. 08. 08.(Mon) 17:00**, and the application is accepted only after payment of the application fee.
 - b. Applicants must thoroughly understand the contents of this admission guidelines so that there are no errors, and our university is not responsible for any disadvantages caused by errors or non-compliance with the screening procedures.
 - c. After the electronic payment of the application fee is completed, the application cannot be canceled and the application details cannot be changed. Please note that any disadvantages caused by input errors during application are the applicants' responsibility.
 - d. Even if you have completed the online application and paid the application fee, you will not be eligible for screening unless you submit all required documents within the submission period.
 - e. The applicant's phone number and mobile phone number must be accurately entered so that you can be contacted quickly during the admission processes, and any disadvantages caused by differences in contact information are at the risk of the individual.
 - f. In addition, all deliberations and evaluations related to screening are decided by Dong-Eui University.
- ※ For other inquiries, please contact the International Exchange Team. ☎ TEL : 82-51-890-3802

5 Application Fee Refund Information

- a. The application fee for online application is inclusive of application handling charges(5,000 won).
- b. Applicants must thoroughly read and understand the contents of this admission guide to avoid mistakes. The university is not responsible for any disadvantages caused by the applicant's mistake or failure to follow the admissions procedures.
- c. The application fee is non-refundable for those who do not meet the qualifications or do not submit application documents.

6 Screening Method (Selection of Successful Applicants)

Successful applicants are selected based on comprehensive judgment through document screening and interview evaluation[In case of applying for admission after completing the Korean language course (up to 2 years) for a certain period of time at our university, DEU-Self Korean Language Test can be conducted.]

- a. **Document Screening:** Comprehensive evaluation of the applicant's submitted documents
- b. **Interview Evaluation:** Interviews are conducted by dividing into Korean residents and non-Korean residents

※ **Those who are excluded from the interview evaluation will be notified individually by the department at a later date.**

- 1) Korean Residents: Face-to-face interview(held at designated locations for each department)
- 2) Non-Korean Residents: Interview with local partner organization or video interview

c. Important Notes Regarding Interview Evaluation

- 1) Those who are eligible for an interview for Korean residents must bring their identification card(passport, alien registration card, etc.) on the day of the interview evaluation day and arrive at the designated location.
- 2) For non-Korean residents, video interviews will be conducted, so you must enter the correct phone number on the application form to receive the notification.
- 3) If it is found that the agent took the interview, not by the applicant by himself or herself, the admission will be canceled and admission will not be accepted even after passing.

7

Notification of Admission Result and Tuition Fee Payment

a. Notification of Admission Result

- 1) **2022. 08. 24.(Wed) 15:00 - can be changed**, Dong-Eui University International Exchange Team website notification(<http://exchange.deu.ac.kr/>) and individual contact
- 2) Important Notes: Successful applicants must receive a notice and pay the tuition fees during the payment period, and please comply with the regulations set by our university to avoid disadvantages such as cancellation of admission.

b. Printout of Tuition Bills and Payment of Tuition Fees

- 1) Period of Receiving Tuition Bills: 2022. 08. 25.(Thu) ~ 08. 26.(Fri)
 - 2) Method of Receiving Tuition Bills: Pick up directly or receive by post or e-mail
 - 3) Tuition Fee Payment Period: 2022. 08. 29.(Mon) ~ 08. 31.(Wed) within banking hours
 - 4) Place of Payment: Designated Bank by Dong-Eui University 📄 refer to the tuition bill
- ※ **Failure to pay tuition fees within the tuition fee payment period will result in cancellation of admission.**
- ※ **The schedule above may be changed according to the university situation, and if the schedule is changed, it will be announced via website or individually.**

8

Important Notes for Applicants

- a. Submitted documents and application fees are not refundable, and the department and major cannot be changed after submitting the documents.
- b. During the screening period, all announcements(including the announcement of successful applicants) will be updated on the International Exchange Team website.
- c. Please note that applicants are responsible for any disadvantages(such as cancellation of admission) due to insufficient documents, errors or omissions on documents, failure to comply with the requirements in the admission guidelines, unknown address, loss of contact, failure to confirm the list of successful applicants, and failure to comply with the immigration procedures.

- d. If the submitted documents are incomplete or if the information on the application form is incorrect, you will be rejected. Also, in the event of forgery or falsification of documents, errors in translation, or any other person other than the applicant taking the exam, or any other misconduct is discovered, you will be disqualified. In addition, if the admission is found to have passed through illegal means, admission will be canceled, and the student's registration record will be deleted from our university even after graduation.
- e. For this guideline, the Korean language guideline is the top priority, and if the contents are different in terms of meaning because it is translated into other languages, the Korean language guideline is the standard, in principle.
- f. After enrollment, if you do not obtain the graduation credits stipulated by our university regulations, you may not be able to graduate in 4 years(8 semesters) or 2 years(4 semesters).
- g. Please note that if you enroll in two or more universities with the same entrance semester, your admission will be cancelled.
- h. Any other matters not specified in the admission guidelines will be handled in accordance with our university admissions procedures and academic regulations.

- For other detailed inquiries, please contact the International Exchange Team.
- ◇ Tel : 82-51-890-3802, 3803 FAX: 82-505-182-6817
- ◇ Address: International Exchange Team, Dong-Eui University, 176 Eomgwangro, Busanjin-gu, Busan
- ◇ Website: <http://exchange.deu.ac.kr/>

9

Other Information

a. Graduation Regulations

A degree is awarded to a person who has completed all of the prescribed courses and passed the graduation thesis or an equivalent evaluation.

b. Dormitory

- 1) Location: No.1 Hyomin Residence Hall, Dong-Eui University, 176 Eomgwangro, Busanjin-gu, Busan
 - 2) Facilities: Each room for 2 students(including bed, desk, chair and wardrobe, but no bedding)
 - 3) Dormitory Fee: KRW 1,017,000 per semester(4 months) - including 100 meals and deposit(can be changed)
 - 4) If you wish to enter a school dormitory, you must pay the dormitory fee together with the tuition fee.
- ※ In principle, the period of residence in the dormitory is one year after enrollment.

c. Insurance for International Students

National Health Insurance is mandatory from March 2021, and the following month's fee is paid by the 25th of the previous month.

Appendix 1

a. Tuition Fee for Undergraduate Program

Field	2022 Tuition Fee for a semester		
	Entrance Fee	Tuition Fee	Total Amount
Humanities and Social Sciences	KRW 0	KRW 2,699,000	KRW 2,699,000
Natural Sciences and Sport Science	KRW 0	KRW 3,245,000	KRW 3,245,000
Engineering and Arts	KRW 0	KRW 3,704,000	KRW 3,704,000

- ※ The College of IT Convergence Components and Materials Engineering and the College of ICT Engineering are included in the field of Engineering and Arts.
- ※ College of Nursing, Healthcare Sciences and Human Ecology is included in the field of Natural Sciences and Sport Science.
- ※ In case of Division of Media & Advertising(Department of Communication & Media, Department of Advertising & PR), the practical training fee will be charged in addition to the tuition(KRW 100,000 per semester)
- ※ Department of Fashion Design(Freshman, Sophomore, Junior, Senior) is included in the field of Natural Sciences and Sport Science(Including students on leave of absence and returning students)
- ※ **KRW 120,000, 20% of the 2017 admission fee, is added to the first semester tuition for all new and transfer students in each department.**

b. Tuition Fee for Graduate Programs

Course	Field	2022 Tuition Fee for a Semester		
		Entrance Fee	Tuition Fee	Total Amount
Master's Course	Humanities and Social Sciences	KRW 630,000	KRW 4,019,000	KRW 4,649,000
	Natural Sciences and Sport Science	KRW 630,000	KRW 4,581,000	KRW 5,211,000
	Engineering and Arts	KRW 630,000	KRW 5,136,000	KRW 5,766,000
	Medicine	KRW 630,000	KRW 6,952,000	KRW 7,582,000
Ph.D. Course	Humanities and Social Sciences	KRW 630,000	KRW 4,174,000	KRW 4,804,000
	Natural Sciences and Sport Science	KRW 630,000	KRW 4,823,000	KRW 5,453,000
	Engineering and Arts	KRW 630,000	KRW 5,418,000	KRW 6,048,000
	Medicine	KRW 630,000	KRW 7,366,000	KRW 7,996,000

Appendix 2

Scholarships for International Students – Undergraduate Programs

1) Admission Excellence Scholarship

International students(freshman and transfer) are given benefits of tuition fee waiver in accordance with their TOPIK level.

TOPIK	Exemption Rate	The Term of Validity	Remarks
Level 4 (in case of the arts and physical education, level 3 or above)	100%	First semester	* Only those who qualify for TOPIK level at the time of admission

2) Academic Excellence Scholarship

International students(freshman and transfer) are given tuition fee waiver, from the second semester of their entrance, within their regular semesters, in accordance with their GPA.

(GPA standards for previous semester)

Qualification	Exemption Rate	Remarks
within the top 2%	100%	* Relative evaluation among international students * Must acquire more than 12 credits in the previous semester (more than 10 credits for seniors)
Over the top 2% ~ within 5%	90%	
Over the top 5% ~ within 10%	80%	
Over the top 10% ~ within 12%	60%	
Over the top 12% ~ within 20%	50%	
Over the top 20% ~ within 25%	40%	
Over the top 25% ~ within 30%	30%	
Over the top 30% ~ within 50%	20%	

3) Settlement Scholarship

International students who submit the test results after taking all of the TOPIK tests during the TOPIK tests during the semester(1st semester: March~August, 2nd semester: September~Next February) will receive the settlement scholarship of KRW 500,000 per semester.

※ This scholarship will be excluded from the last semester of students' regular courses.(This scholarship is non-tuition fee waiver. Therefore, it can exceed the amount of the tuition fee.)

4) International Student Autonomous Organization Scholarship

International students who are selected as members of the International Student Autonomous Organization will receive the scholarship by conducting organization activities.**(This scholarship is non-tuition fee waiver. Therefore, it can exceed the amount of the tuition fee.)**

【International Student Autonomous Organization Scholarship Payment System】

1. Chairman: KRW 500,000 per semester
2. Vice-Chairman: KRW 400,000 per semester
3. Executives: KRW 300,000 per semester

5) International Student Volunteer Scholarship

International students who participated in support services related to international students, such as events held on campus, interpretation, translation, etc., will receive the volunteer scholarship.**(Payment rate is based on school working payment criteria. Also, this scholarship is non-tuition fee waiver. Therefore, it can exceed the amount of the tuition fee)**

6) TOPIK Acquisition and Enhancement Scholarship

International students who have acquired the higher level of TOPIK will receive KRW 300,000 per level. This scholarship is intended to encourage students to acquire higher level of TOPIK and to improve Korean language proficiency.**(This scholarship is non-tuition fee waiver. Therefore, it can exceed the amount of the tuition fee.)**

7) Partner Institution Special Scholarship

A special scholarship of KRW 1,000,000 is provided to those who have completed the Korean language course(more than one year) at the International Language Education Center at our university or those who are recommended by partner universities or institutions.**(This scholarship is non-tuition fee waiver. Therefore, it can exceed the amount of the tuition fee.)**

Scholarships for International Students – Graduate Programs

1) Special Admission Scholarship

International students who applied for the graduate programs(Master's and Ph.D. courses) will receive 30% of tuition fee waiver.

(Except for those who have not acquired TOPIK level 4 or above after the first year)

2) TOPIK Scholarship

International students who applied for the graduate programs(only for Master's course) will receive 100% of entrance fee waiver if they have acquired TOPIK level 3 or above before they enter the university.

3) Research Scholarship

International students who applied for the graduate programs(only for Master's course) will receive 20% of tuition fee waiver only if their unemployment status has been proved.

(Except for those who have not acquired TOPIK level 4 or above after the first year)

4) Assistant Scholarship

International students who work in the university's administrative department or participate in international student-related support will receive the scholarship(hourly-payment basis).
